ABOUT DEALFEST NORTHEAST

DealFest Northeast is the largest M&A block party in the northeast, bringing together **750+ middle-market deal professionals** — capital providers, intermediaries, transaction advisors and strategics — from all over the country to network, discover new partners, and identify untapped sources of dealflow.

The event kicks off with **DealSource**, by invitation only for capital providers & intermediaries, where 350+ attendees conduct one-on-one meetings, all prescheduled through DealSource Select's private online networking tool, making it the most efficient and concentrated way to source dealflow for the middle-market M&A community.

For those not participating in DealSource, there will be open, unreserved tables available in the Attendee Lounge for pre-scheduled or impromptu meetings with fellow attendees. Content sessions will also take place during the day.

At the end of the day, all attendees will come together for **DealFest**, where New England's top private equity & investment banking firms host and share the region's finest craft beers as attendees connect and strengthen their well-established networks of active investment community relationships, as well as create and build new relationships that can help source new quality investment opportunities.
